"Class of Eighty-Four"

DEDICATION

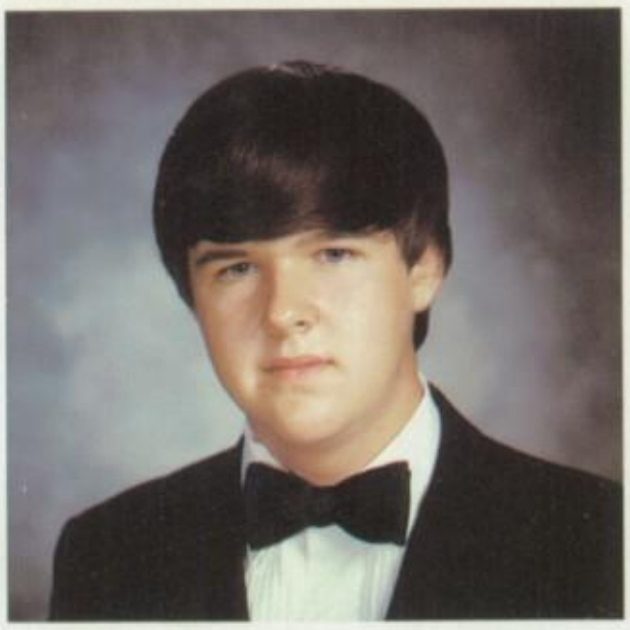

For your many years of service to both the school and the students in which you have been both a teacher and a friend, and for your helping us to grow and learn the responsibilities before us, we proudly dedicate the 1983-84 Ash-Clairma to you, Coach Smith.

What Is Ashville?

When you think of Ashville, what do you see?
This is the picture that comes to me:
Ashville is people — teenagers and all.
It's assemblies and classes and a rush in the hall.
It's panic at report cards; it's green and white;
It's thrills and excitement that never grow old.
Suspense fills the hallways, and rivalry's keen.
All yearn for a scholarship; who will be Queen?
Ashville means projects and clubs with their fun,
And everyone working till all tasks are done;
Tense moments at ball games — Will we win or not?
That Bulldog spirit means more than we thought!
What is Ashville? What is its story?
We've told it here in all of its glory!

The A.H.S. Student Council officers of 1983-84 have accomplished a lot for our school. They have pride in their school and contributed much to A.H.S.

Projects that were completed by the Student Council this year were: a car wash, sponsored school dances, sold spirit buttons, bought a school mascot, sponsored a Christmas Ball, donated $60.00 to the weightroom, bought and planted dogwood trees on the school grounds, donated $75.00 to the Big Oak Boys' Ranch. We are very proud of them and their accomplishments!

Mr. Croyle talked about how he started the Big Oak Boys' Ranch and many of his experiences with the boys at the Big Oak Boys' Ranch. Everyone enjoyed Mr. Croyle and appreciated his sharing his time with A.H.S.
